

**TRUMAN STATE UNIVERSITY
HONORS SCHOLAR PROGRAM IN THE LIBERAL ARTS AND SCIENCES
2010-2011 CATALOG REQUIREMENTS**

NAME: _____ ID #: _____ DATE: _____

MAJOR(S): _____ GRADUATION DATE: _____

High Distinction in the Liberal Arts and Sciences shall be awarded to graduating seniors who have completed five approved courses, with at least one course from each of the areas of mathematics, science, humanities, and social science. To become an Honors Scholar, students must also have a cumulative grade point average of at least 3.5, and at least a 3.5 grade point average in the five Honors Courses listed below. Only grades of "A" or "B" may count toward Honors Scholar requirements.

Students who complete a single undergraduate major may not satisfy Honors Scholar requirements with any course in their major field. Students who complete two or more majors may generally use any approved courses to satisfy the Honors Scholar requirements. Any course counting as a "major elective" is considered a course in the major field.

No credit towards completion of the Honors Scholar Program shall be given for high school courses, transfer courses (including AP, CLEP, Study Abroad credit or substitutions) unless approved by the Honors Scholar Committee. The Honors Scholar Committee must approve all substitutions.

Some honors courses may be used to satisfy Liberal Studies Program requirements. Some restrictions apply (see 2010-2011 General Catalog, the Honors Scholar Website, or a member of the Honors Scholar Committee for details.) Some Honors Scholar courses have prerequisites or co-requisites.

The student's advisor and a member of the Honors Scholar Committee should sign the completed form. This form should then be submitted, along with an intent to graduate application and major worksheet(s), to the Registrar upon completion of 75-90 earned hours.

Mathematics:

<i>Semester</i>	<i>Credit</i>	<i>Grade</i>

Science:

<i>Semester</i>	<i>Credit</i>	<i>Grade</i>

Humanities:

<i>Semester</i>	<i>Credit</i>	<i>Grade</i>

Social Science:

<i>Semester</i>	<i>Credit</i>	<i>Grade</i>

Additional Course from Mathematics, Science, Humanities, or Social Science:

<i>Semester</i>	<i>Credit</i>	<i>Grade</i>
